

Postbaccalaureate Alumni
NIDA Intramural Research Program

Mary Rabei rana.rabei@gmail.com

2012-13, Neurobiology of Relapse Section

Currently: graduate school in biomedical science, University of Chicago

Veronica Zamora Olivencia v.zamora.olivencia@gmail.com

2012-13, Behavioral Neuroscience Section

Currently: medical school, Ponce University

Katie Baldwin k.baldwin000@gmail.com

2011-13, Structural Biology Unit

Currently: graduate school in public health, Rutgers University

Catherine Demers catherine.h.demers@gmail.com

2011-13, Neuroimaging Branch

Currently: graduate school in clinical psychology, Washington University

Maleeha Haroon maleeha.haroon@gmail.com

2011-13, Nicotine Psychopharmacology Section

Currently: graduate school in clinical psychology, University of North Carolina

Sarita Kambhampati sarita.kambhampati@gmail.com

2011-13, Neurobiology of Relapse Section

Currently: medical school, St. George's University

Alex Kawa abkawa1@gmail.com

2011-13, Neurobiology of Relapse Section

Currently: graduate school in psychobiology, University of Michigan

Jessica Lopez jlopz@gmail.com

2011-13, Psychobiology Section

Currently: graduate school in public health, Drexel University

Stephanie Myal stephanie.myal@yahoo.com

2011-13, Behavioral Neuroscience and Neurobiology of Relapse Sections

Currently: research assistant, University of Maryland; MD/PhD applicant

Ray Rogers rayshardrogers@gmail.com

2011-13, Glia-Neuron Interactions Unit

Currently: business classes, Georgetown University

Fabienne Saint-Preux fspreux@gmail.com

2011-13, Molecular Neuropsychiatry Section
Currently: medical school, St. Louis University

Raphael Bendriem rbendriem@gmail.com
2010-12, Development and Plasticity Section
Currently: graduate school in neuroscience, Weill Cornell Medical College

Allison Carroll allisonjanecarroll@gmail.com
2010-12, Neuroimaging Branch
Currently: graduate school in clinical psychology, Northwestern University

Kristine Keller kristinelkeller@gmail.com
2010-12, Neurocircuitry of Motivation Section
Currently: pharmacy school, University of Maryland

Kristen Mackowick kristen.mackowick@gmail.com
2010-12, Nicotine Psychopharmacology Section
Currently: graduate school in medical science, University of Toronto

Cynthia Quintero cyq2001@med.cornell.edu
2010-12, Molecular Neuropsychiatry Section
Currently: graduate school in pharmacology, Weill Cornell Medical College

David Reiner david.reiner811@gmail.com
2010-12, Neural Protection and Regeneration Section
Currently: graduate school in neuroscience, University of Pennsylvania

Becky Rutledge rprutledge@gmail.com
2010-12, Medicinal Chemistry Section
Currently: graduate school in epidemiology, Emory University

Fiori Vollrath-Smith fiori@umaryland.edu
2010-12, Behavioral Neuroscience Section
Currently: graduate school in neuroscience, University of Maryland
